

Trotting Horses Rounding Into Form Down South

Thomasville Colony Has Several Fine Prospects for Next Season

By Frank S. Cooke

While trainers in the North have been looking for belated winter and have trained their horses accordingly, those who happen to have sojourned in the South are beginning to get in some good luck. They are starting to work their horses along, and last week more than their first repeats. Even though Ben White is not a member of this season, the Thomasville colony is the most interesting. W. J. Andrews is looking out for eight belonging to the Pastime Stable, Harry Shortt has seven owned by H. K. Devereaux and Guy Leo has a dozen of the property of Captain H. J. Schlosberg, of Milwaukee. Of these four yearlings, eight two-year-olds, eight three-year-olds and the others eight years or more.

One in which there is much interest is First National, by Edwin. This, then two years old, signified his first appearance at North Randall by winning a heat in 2:12 1/2, the next one going to Persimmon, that was put at the top of the summer, the trotting horse, and the next one to the gelding, the first National was secured after the first year, that was a very good one, and it is expected to have rounded to and in fine form.

Albert Fine Prospect
Albert, that trotted in 2:07 1/2 last season, is looked upon as one of the good prospects for this season in the pastime stable. He was to have gone to the matinee, but has done so lately that he is more apt to start in the stakes. He is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable.

Both by Grattan Royal
Both of these pacers are by Grattan Royal, and another of his tribe, Fred Grattan, may be in the hunt, although he has not yet shown the class of either of the others.

Plumley will have the good trotter Oro G, by Oro Ree, in his string again this season and probably will tackle the state championship. He is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable.

Among his pacers Moore has one that has a reputation as a sire. This is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable. He is a two-year-old, and is expected to be a fine asset to the stable.

Many horses will change hands in the next month, as there are four big sales in February and March. The first is the Snyder Farm, at Springfield, Ohio, on February 12; then comes Lexington, February 17; then comes Chicago, March 3 to 7; and New York, March 13 to 20.

Moakley Works Hard
With Cornell Athletics
Jack Moakley has begun the work of developing a variety track team at Cornell, for the sake of the depressing financial condition.

At this time, there is every intention that a track and field team will be sent to take part in the intercollegiate championships. So far Moakley has secured several veterans to help him. H. E. Shackleton, who was elected captain of the 1917 team; W. H. Readdy, a former variety polo player; and E. K. Feltner, the winner of the running broad jump at the intercollegiate meet last spring, are the experienced men who have come back.
